Dear Parents and Caregivers

Aveley Secondary College is very excited to announce the opening of applications for Year 7 2025 students wishing to be part of our Academic Elite Program. This program is exclusively available to students in the Aveley Secondary College local intake area. The program provides the opportunity for exceptionally able students to study in learning environments that challenge, inspire and empower them to excel every day.

The Academic Elite Program offers an intellectually stimulating education program which is rigorous but supportive, inclusive but flexible and conducive to the pursuit of excellence.
