Our policy outlines behaviour standards based on the College Agreements of Respect, Responsibility, Appreciation, and Perseverance. ROUTINES

Routines are the building blocks of the College and classroom culture. Our clear and consistent routines help build a culture for learning, bringing efficiency, focus and rigor to a classroom. They aim to reduce disruption and enhance learning.

To support and assist students in displaying positive behaviour, staff employ a set of core routines. Staff explicitly and consistently teach, and role model these routines which enable students to learn in safe and successful environment.

RECOGNITION AND REWARDS

Aveley SC recognises, celebrates and rewards student achievements and exemplary behaviour in and out of the classroom at every opportunity. Our reward system centres on the awarding of house points. Students receive house points if they demonstrate one of more of our four agreements. Students are recognised in a variety of ways, including reward events, certificates, raffles and prizes.

GOOD STANDING

Aveley Secondary College operates on the belief that all students have the ability and the right to learn in a safe productive manner. All students commence the year with Good Standing. Students maintain Good Standing by consistently demonstrating exemplary standards in their commitment to learning, attendance and punctuality, behaviour.

Loss of Good Standing

Commitment to Learning:

Students are expected to demonstrate high work standards by being prepared for class, actively participate in all classes and school events, submit homework as requested and comply with the College's subject course requirements and assessment policy. Students that display a noncommitment to learning on an ongoing basis will be at risk of losing Good Standing.

Attendance and Punctuality:

Students must maintain regular attendance at or above 90% to retain Good Standing. Students are expected to arrive to school on time and be punctual to timetabled classes and scheduled activities. Loss of Good Standing results from ongoing poor attendance and punctuality. Special considerations may be considered for approved absences in consultation with Executive staff.

Behaviour and College Policies

Students who consistently display the positive behaviours outlined on the Agreement Matrix will maintain Good Standing. Students who do not uphold the College policies, Code of Conduct or employ the Agreements of Respect, Appreciation, Responsibility and Perseverance will lose Good Standing. Serious breaches and suspension from school will result in an immediate loss of Good Standing.

Consequences of loss of Good Standing

Students without Good Standing status will lose their privilege to partake in activities that are additional to course curriculum requirements, such as:

- Reward activities
- Academies
- Inter-house competitions and carnivals
- School leadership roles
- Representing the school
- School social events
- Camps
- Excursions and tours
- Other as determined by Executive staff.

CONSEQUENCES FOR STUDENT MISBEHAVIOUR

Aveley SC employs fair and reasonable consequences for behaviours that are disrespectful, off task, disrupts and interferes with teaching and distracts others from learning. Staff will address student behaviour that does not meet our expectations. There is an escalation process for students who continue to not meet expectations. This escalation addresses repeated student behaviour to apply more serious consequences ensuring every student can learn in a disruption free environment.

Staff may use one or more of the following consequences in response to unacceptable student behaviour:

- Corrective and Verbal reminder
- Detention

- Withdrawal
- Referral to Head of Learning Area and/ or Sub School
